Questions for Interview and CLT Discussion

To the LHC Participant: Be ready to discuss responses to these questions with others in your CLT. Of course you are free to ask any other questions that come to your mind. After your visit, turn to the back page and reflect on the experience.

- How does this agency demonstrate its knowledge of an overarching issue?
- What is the financial impact of providing significant response to an overarching issue?
- How has this overarching issue changed in the past few years?
- What issues do you see looming on this agency's horizon?
- What challenges keep individuals involved with this agency awake at night?
- What is the greatest lesson this agency has learned about leadership?

- What are the three things that leaders in our community could do to make this agency more effective?
- What advice would you give a new business leader?
- What do you wish you had learned before taking on the work that you do now?
- What are your hopes for your agency in the future?
