

Beginning in 1985, Howard County's leaders dreamed of creating an organization that would equip aspiring participants with the tools to build a vibrant community. Leadership Howard County was the fulfillment of that dream - and with the 36 classes that have completed the program since then, it's clear that our community has been built on the strength of this model.

- More than 1,400 graduates have completed the Premier program, completing 83 community impact projects.
- More than 1,000 high school students have completed the challenging Leadership U program, completing 140 community service projects.
- LHC alumni have volunteered more than 80,000 hours of support to Howard County nonprofits, equal to an investment of more than \$2 million in our community.

In 2022 LHC has reached another major milestone: in addition to marking 36 years of remarkable success, LHC will also celebrate the leadership legacy of President and CEO Stacie Hunt, as she completes her 20-year tenure at the helm.

A celebratory event will take place on June 2: ***A Night of Illuminating Leadership: Celebrating the 20-year legacy of Stacie Hunt.*** Plan to join LHC alumni, colleagues, and community leaders at HCC's Horowitz Center for an enchanting evening to celebrate and reflect on Stacie's career and how the LHC stars have aligned on this journey. Guests will enjoy a sumptuous social hour, followed by a program that will entertain and inspire.

As LHC illuminates Stacie's journey, it is also undertaking a crucial goal to financially sustain its programming into the future and provide valuable and inspiring programs to all community leaders. Sponsorship opportunities are available to support the financial assistance LHC provides to nonprofit leaders, small businesses, and qualified high school students, ensuring the program remains affordable and reflective of the diversity in our community.

Sponsorship levels for consideration are indicated below. Your support will help ensure that Leadership Howard County has a bright future, one that will continue to inspire and empower leaders to take their place among the Stars!
