

COMMUNITY IMPACT PROJECTS

Does your non profit organization have a project you would love to do but just don't have the time, expertise or staff to do?

A Leadership Essentials (LE) Project Team may be the answer!

Join us for a brief information session to find out about the types of projects a team of young professionals can do for your organization. Turn your ideas into reality!

Have all of your questions answered and ensure that you have everything you need to submit an application. Meet past project hosts and recent Leadership Essentials grads.
