

Leadership Howard County: Investing in the Future of Civic Leadership

Howard County's visionaries imagined an organization that would cultivate, inform, connect, and empower leaders who could shape a stronger, more vibrant community. In 1985, that dream became a reality with the launch of **Leadership Howard County (LHC)**, and today, for more than four decades, the impact of that vision is undeniable.

A Legacy of Transformative Leadership

- 39 Premier classes strong: More than 1,600 graduates have completed LHC's flagship Leadership Premier program, leading and supporting over one hundred Community Impact Projects that have strengthened nonprofits and improved quality of life across Howard County.
- Tomorrow's leaders inspired today: Over 1,200 high school students have graduated from Leadership U and have implemented more than 170 youth-led community service projects. The Class of 2025, our largest ever—celebrated sixty graduates.
- Volunteerism that fuels the community: LHC alumni have contributed more than 85,000 volunteer hours to local nonprofits—representing over a \$2.8 million reinvestment back into Howard County through time, talent, and expertise.

LHC's impact is not theoretical—it is measurable, visible, and deeply woven into the fabric of our community - [LHC Infographic](#).
